Mark (6th circle)

Invisibility (6th cir.)

Gate Travel (7th cir.)

Ressurrection (8th c.)

About Inscription

1 of the useful skills
is inscription,the art
of scribing spells.Good
for making some \$
also.But for scribe a
spell, you must have
enough magery AND
inscription for sucess
So you cannot scribe a
8th circle spell even
if you have poor
inscription and you
are top in magery.
